Subject: - Request for urgent meeting with Association to discuss important points.

Madam,

It is requested to fix an urgent meeting at a convenient time to discuss the following burning issues concerning to the members of our association:

- i) Forwarding of proposal for Non Functional Financial Up-gradation of the IBES Officers to Ministry of I&B in compliance to DOPT Order No.AB 14017/64/2008-Estt.(RR) dated 24.04.2009 & 21.05.2009 consequent upon acceptance of recommendation of Sixth CPC by Government of India(Popularly known as Pay Parity of organized service officers with IAS).
- ii)
 - a) JTS to STS DPC- The eligibility list of AEs drawn as on 01.01.2007 is not valid for those JTS officers who have been regularized by UPSC against the vacancies up to 2003-04. There is no valid reason for non convening of this DPC. The DPC is to be held without further delay.
 - b) STS to NFJAG DPC- Similarly we find that no action is being taken in regards to STS to NFJAG DPC. This should also be convened at the earliest.
- iii) Any other points with permission to Chair.

I request you to fix the date for meeting at the earliest (within a week) as the members of association are very agitated on these issues.

I also request you to include all the concerned officers in this meeting.

Yours sincerely,
